Re: Work Services, L.L.P.  
Case No. 16-RC-10693

Dear Mr. Smith:

The above-captioned case, petitioning for an investigation and determination of representative under Section 9(c) of the National Labor Relations Act, has been carefully investigated and considered. As a result of the investigation, I find further proceedings are unwarranted. The investigation revealed that the Air Force is privatizing its housing facilities and will no longer be responsible for maintenance. Consequently, the contract between the Air Force and Work Services will terminate on November 30, 2005. The petitioned-for unit of employees will cease to exist on that date. Accordingly, I am dismissing the petition in this matter.

Pursuant to the National Labor Relations Board Rules and Regulations, you may obtain a review of this action by filing an appeal with the National Labor Relations Board, Washington, D.C. 20570. A copy of the request for review must be served on each of the other parties to the proceeding, as well as on the undersigned. This request for review must contain a complete statement setting forth the facts and reasons on which it is based. The request for review (eight copies) must be received by the Executive Secretary of the Board by close of business October 31, 2005. Upon good cause shown, however, the Board may grant special permission for a longer period within which to file. A request for extension of time should be submitted to the Executive Secretary in Washington D.C., and a copy of any such request for extension of time should be submitted to this Office and to each of the other parties to this proceeding.

The request for review and any request for extension of time must include a statement that a copy has been served on this Office and on each of the other parties to this proceeding in the same or a faster manner as that utilized in filing the request with the Board.

Sincerely,

Curtis A. Wells  
Regional Director
